Honors Day

BIRMINGHAM-SOUTHERN COLLEGE

**April Twenty-Ninth
Two Thousand Twenty-One**

President's Message

Honors Day
April 2021

It is "Honors Day." It must be spring. The end of the academic year is upon us. Honors Day is virtual again. It must be 2021. Like other rituals we celebrate annually, this ceremony marks time almost as consistently as nature itself. In a year where nothing has been normal, when few rituals have been kept, Honors Day takes on a special meaning. This ceremony gives us a sense of normalcy, comfort in knowing that we are continuing the important traditions at Birmingham-Southern College.

Today, we recognize those who have become leaders in our campus community. We recognize academic excellence in the classroom. We laud accomplishments outside the classroom. We hold up faculty, staff, and students as embodying the ideals of the Birmingham-Southern community.

There is nothing I can write that can replace the feeling of receiving an honor in front of your mentors and peers. I am sorry that this pandemic has taken that away from many of you. I hope very much that we can capture some of this feeling at a future celebration.

Congratulations to those receiving honors today. The lack of ceremony does not diminish your accomplishments. Faculty and staff, we thank you for all you have done for the College. In 2021, we especially thank you for the work you have done to preserve Birmingham-Southern's personalized educational experience under the shadow of a global pandemic. For the students honored today, we thank you for your contributions to our campus. We are excited to watch how you use what you have learned at BSC to make the world a better place. We look forward to seeing you back on the Hilltop soon.

Daniel B. Coleman

President

Salute to Seniors

Dear Class of 2021,

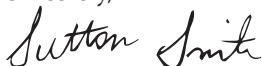

Everything about our senior year on the Hilltop has been unprecedented. When we came to Birmingham-Southern in August 2017, none of us could have imagined juggling online classes, weekly Covid tests, and constant masking. Right now, it feels like our entire world revolves around a virus, so I want to take some time to focus on other things.

Most of us stepped onto campus as wide-eyed teenagers with no idea what to expect out of college. We were eager to pick a major, play a sport, join an organization, or make a friend. Almost four years later, we have somehow finished senior research, led student organizations, fallen in and out of love, and made lifelong friends. After years of hard work, dedication, and growth, we are leaving BSC as better students, leaders, and individuals than we were before we came here. In return, I believe the class of 2021 is leaving BSC a better place than we found it. We have given blood, sweat, and often literal tears in pursuit of a college degree that simply means more to those who hold it.

We have so many people to thank for guiding us through our time here: parents, siblings, roommates, friends, advisors, professors, and more. We also owe it to ourselves to feel for a moment the pride in our accomplishments, regardless of what our next step might be.

It is ambitious to attempt to sum up a college experience into one word, but I will try – perseverance. The Birmingham-Southern College class of 2021 has learned and now exudes perseverance in all we do, and I hope that is something that stays with us long after our time here ends. Congratulations, class of 2021. Best of luck.

Sincerely,

Sutton Smith
SGA President

Birmingham-Southern College Alma Mater

On the city's western border,
Reared against the sky,
Proudly stands our alma mater
As the years go by.

"Forward ever!" Be our watchword;
Conquer and prevail.
Hail to thee our alma mater,
BSC, all hail!

Cherished by us all forever,
Alma mater strong,
Hold our faithful hearts and minds
As we sing this song.

"Forward ever!" Be our watchword;
Conquer and prevail.
Hail to thee our alma mater,
BSC, all hail!
